Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course structure seems to work for online studies.

Based on the course evaluation result - which are the weaknesses of the course?

Too few completes the course - evident from the number of respondents here and proportion of students actually working with the course.

Comments about the collaboration with the course ambassadors

(No course ambassadors were assigned.)

Conclusion and suggestions for course development or already made decisions

I will consider measures to increase the interaction between students. Maybe this could help students to keep working with the course.
