Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

+ Good content
+ Good setup
+ clear lectures

Based on the course evaluation result - which are the weaknesses of the course?

- insufficient opportunities for group work.
- Classroom dynamics could be improved, as discussions sometimes focused on individual students while others remained passive.
- Low participation levels in discussion sessions

Comments about the collaboration with the course ambassadors

N/A (Distance course)

Conclusion and suggestions for course development or already made decisions

Incorporating group work in a distance course can be challenging due to logistical constraints. However, I will explore introducing a limited form of group activity to evaluate its effectiveness. Participation in the discussion sessions was optional, and some participants may have had work commitments that conflicted with the schedule. Unfortunately, this is not something I have much control over.
