Requirements for a Bachelor of Science in Business and Economics:

The main field of the degree is business administration. The subject allocation shall be as follows:
 180 credits (ECTS) credits of business administration/economics of which at least 90 credits in business administration and at least 15 credits in Economics. An independent project of at least 15 credits in business administration must be completed.
 30 credits of an optional subject within economic subjects or subjects with economic connections (e.g. informatics, law, statistics, and economic history). 30 credits optional courses.

Requirements for a Bachelor of Science:

The main field of the degree is business administration. The subject allocation shall be as follows:
 180 credits (ECTS) including at least 90 credits in business administration and 90 credits optional courses. An independent project of at least 15 credits in business administration must be completed.

NOTE! You apply for the diploma at the university where you completed last course. That is, if you study your last course in Halmstad, that's where you apply for the diploma.
