| 5  | 42% | 5 |
| 6  | 42% | 5 |

### Examiner's comment

This course was very appreciated by the last class that took it and I am glad that the programme students in general continue to enjoy it. What we saw with the last class that took it is that they continue to use what they learnt from this course in later courses and their thesis writing as well, which is exactly what we hope our students will do, i.e. link their knowledge from different courses together.
