First Call for Papers

SCAI 2015

The Thirteenth Scandinavian Conference on Artificial Intelligence  
November 5-6, 2015  
Halmstad, Sweden

<http://www.hh.se/scai2015>

\*\*\*\*\*

The 13th Scandinavian AI conference, SCAI 2015, will be held in Halmstad, Sweden, on 5th and 6th of November, 2015. The conference is co-organised by Center for Applied Intelligent Systems Research at Halmstad University, and SAIS, the Swedish Artificial Intelligence Society.

As a part of the conference, on 4th of November 2015, we will organise a Doctoral Symposium, for which a separate call for contributions will be issued. We will also hold thematic workshops (we invite submissions of topics) and we especially encourage initiatives that promote closer cooperation between the academia and industry in the region (we hope to hold a special industry track and/or a demo session). We plan a dedicated networking event to facilitate cooperation, both on the EU level as well as targeting funding opportunities specific to individual Scandinavian countries.

For the main conference, submissions from all areas of Artificial Intelligence are invited. This includes, but is not limited to: Machine Learning, Data Mining, Knowledge Representation and Reasoning, Planning and Scheduling, Natural Language, Computer Vision, Data Streams, Search Algorithms, Multi-Agent Systems, Big Data, Artificial Life, Cognitive Robotics, Probabilistic Graphical Models, Industrial Applications, and Philosophical Foundations. Papers must contain original, previously unpublished contributions on AI theory, methods, or applications. Submitted papers will be reviewed by at least two members of the program committee, and can be accepted either for oral or poster presentation.

All accepted papers will be included in the conference proceedings. In the last editions of the conference proceedings have been published by IOS press.

Paper submission will be handled through the EasyChair system at <https://easychair.org/conferences/?conf=scai2015>

Important Dates

-----

Submission site open: April 2015  
Paper submission: 31st of May 2015  
Author notification: August 2015  
Camera-ready copy due: September 2015
