

A man wearing a straw hat and sunglasses is riding a bicycle on a beach. A woman is sitting on the back of the bicycle, smiling. The background shows a beach and the ocean under a clear sky. On the right side of the image, there is a decorative vertical bar with blue geometric shapes.

# HISS 2018

## Health Innovation Summer School

Summer. Sun. Science.

**Halmstad, Sweden, August 21-24, 2018**

At HISS, doctoral and master students will have the opportunity to discuss health, technical solutions and the role of innovation in a changing society in lectures and creative workshops together with distinguished key note speakers, in-house researchers and pertinent end users.

This course offers a unique opportunity to be a part of creative and innovative processes that will result in students presenting their health innovation as a final pitch to representatives from business, health organisations, academia and end users. HISS is also a perfect way to extend your personal network and create international contacts.

The summer school corresponds to **2 ECTS** credits on doctoral level.  
The formal requirement for participation is a completed BSc degree.

The price for HISS 2018 is:

- **SEK 1 500 for payments from Swedish authorities.**
- **SEK 1 875 (including VAT 375 SEK) for all other payments.**

*HISS 2018 starts at 1 PM on Tuesday, August 21, and ends at 1 PM on Friday, August 24. The price includes tuition, welcome reception and closing lunch.*

Last day for registration is **May 21**.
