

John Kenney

Biography

John Kenney leads a vehicular networking research team at Toyota InfoTechnology Center in Mountain View, California.

Research interests include wireless protocols at the MAC and Physical layers, congestion control, security, and performance optimization.

He represents Toyota in the CAMP VSC consortium and in international standards organizations including IEEE, SAE, and ETSI.

He was General Co-Chair of the ACM VANET Workshop in 2011 and 2012.

He holds a Bachelor's degree and Ph.D. from the University of Notre Dame and a Master's from Stanford University. He also was an adjunct professor at Notre Dame from 1990-2010.

Prior to his work for Toyota his research interests included high speed Internet switches, QoS, and adaptive systems.
