Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course has a high satisfaction index (80%). Good teaching and relevant content.

Based on the course evaluation result - which are the weaknesses of the course?

Better writing on the whiteboard, book, and better connection between lectures and textbook

Comments about the collaboration with the course ambassadors

No one could be recruited

Conclusion and suggestions for course development or already made decisions

The transient part, which was not so much connected to the book, will be removed. Better structure and writing on the whiteboard. Unfortunately, I couldn't find a better textbook; this book is the best one on the market
