

IK8015 (Design Studio in Digital Service Innovation, HT 2024, Halmstad, H3703, X3707)

Number of possible respondents: 23

Answers: 20

Response rate: 86,96 %

Study pace: 100 %

Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course has created the space for students to be introduced to and practice design work. Students valued the freedom and responsibility that the course design afforded them to develop their own learning.

Based on the course evaluation result - which are the weaknesses of the course?

Managing a group of students with very diverse educational and knowledge backgrounds is always a challenge.

Comments about the collaboration with the course ambassadors

Course teachers have received feedback during the course and have made adjustments to group-making and teaching moments accordingly.

Conclusion and suggestions for course development or already made decisions

We recommend that future instances of the course continue to employ course moments that give opportunities to students to engage with the course material on their own terms.
