Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

having divide the exam parts so students can work toward the final results

Based on the course evaluation result - which are the weaknesses of the course?

A bit tight in schedule between the different deliverables.

Comments about the collaboration with the course ambassadors

Good

Conclusion and suggestions for course development or already made decisions

Project kick-off can be even more earlier next time so the students have more rounds to discuss and revise ideas/reports.
