

KV2026 (Scandinavian Design, HT 2024, Ortsoberoende, Halmstad, 11129, X1129)

Number of possible respondents: 96

Answers: 23

Response rate: 23,96 %

Study pace: 50 %

Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The students who participated in the course evaluation are generally very satisfied with the course content, structure, learning platform, course literature, and teaching. Most students find the content both interesting and relevant. They also view the teachers as competent and knowledgeable, appreciating their efforts and engagement.

Based on the course evaluation result - which are the weaknesses of the course?

Some imbalance between the emphasis on social (or societal) perspectives in relation to the attention given to design objects.

Comments about the collaboration with the course ambassadors

-

Conclusion and suggestions for course development or already made decisions

- Provide clearer explanations of the course content and expectations at the beginning of the course.
- Adjust the balance between the emphasis on social (or societal) perspectives and the focus on design objects.
- Continue refining the course design and teaching methods to further enhance the learning experience.
