Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Kursen ger ytterligare inblick i viktiga fenomen kopplat till arbetslivet.

Based on the course evaluation result - which are the weaknesses of the course?

Kursen behöver ses över så att strukturen blir tydligare och kurslitteraturen behöver uppdateras för att bli mer tillgänglig. Tyvärr var det ej genomförbart med gästföreläsare under VT2025 som planerat för att öka internationalisering på hemmaplan.

Comments about the collaboration with the course ambassadors

Avstämning har skett med kursambassadörer samt med gruppen.

Conclusion and suggestions for course development or already made decisions

Kurslitteratur och struktur skall justeras så att studenterna upplever en högre tydlighet. Gästföreläsare skall bjudas in till VT2026 för att ge kursen mer variation samt blanda lite mer praktiska exempel med teori. Kursplanen skall också justeras gällande språk för att skapa lika förutsättningar för svenska och internationella studenter.
