Thank you for your feedback. We will work on adding more practical exercises and scenario-based workshops next year. Low lecture attendance makes it difficult to keep sessions engaging, so we encourage more participation. Research papers and presentations remain important at the master's level, as they build skills valued in both academia and industry. We'll also review and update seminar materials to ensure they stay relevant.

I am overall satisfied with the course.

	Number of responses	Distribution (%)	Index (%) I am overall satisfied with the course	64
