Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Good structure and balanced material.

Based on the course evaluation result - which are the weaknesses of the course?

Students ask for more sample exams, this might be a bit difficult for the immediate next editions as the exam was refreshed this year due to comments from previous years.

Comments about the collaboration with the course ambassadors

No one volunteered for ambassadoring, but there was a good dialog going on with some students throughout the course.

Conclusion and suggestions for course development or already made decisions

The work on making the exam better and more suited will continue, there were also suggestion to focus some material more, make the course less general.

Other comments

I would like to thank all the students for active participation in the course, and valuable feedback.
