Based on the course evaluation result - which are the strengths of the course?

Well structured and understood. the students were following the content and assignment without major issues.

Based on the course evaluation result - which are the weaknesses of the course?

Some students thought that the load was a little over but they managed to attend and deliver what was needed. In some cases the tasks needed to think outside the box with some innovation needed which is not very pleasant for some students.

Comments about the collaboration with the course ambassadors

collaboration was more than convenient and effective.

Conclusion and suggestions for course development or already made decisions

include more real-life cases and possible include some tasks that have direct impact on our society to increase the practical relevance.
