Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Supervisions and 3 parallel seminar groups are self-driven (autonomous).

Based on the course evaluation result - which are the weaknesses of the course?

need push more students to answer the course evaluation (despite of hectic time in the final stage)

Comments about the collaboration with the course ambassadors

Yes, the course ambassador did a great job

Conclusion and suggestions for course development or already made decisions

While thesis work - a small research project - is the key sewing out the whole process, the students also need take the chance to improve the reporting part - the thesis report (i.e. communication skills need to address)
