Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course design

Time schedule for the assignments

Course literature and supplementary reading material

Based on the course evaluation result - which are the weaknesses of the course?

Occasionally the assignments on Blackboard did not open up automatically as intended

Could benefit from physical meetings and a study visit to a real biogas plant

Comments about the collaboration with the course ambassadors

No student ambassadors were appointed. It is difficult to find students who are interested in taking on this responsibility on an online course.

Conclusion and suggestions for course development or already made decisions

Try to include physical meetings if appropriate, and a study visit if possible

Improve the automatic release of the assignments on Blackboard
