Number of possible respondents: 9

Answers: 3

Response rate: 33,33 %

Study pace: 100 %

Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Tack till er som besvarat kursvärderingen! Kursvärderingens resultat tyder på att kursen har fungerat väl. Den övergripande nöjdheten är hög hos dem som har svarat (men svarsfrekvensen är låg). Den studiesociala miljön har upplevts som särskilt positiv under kursen (93 %) vilket troligen har att göra med upplägget med stödjande respons- och handledningsgrupper. Examinationen, som sker i både skriftlig form och seminarieform, har också hög nöjdhet (87 %). I muntliga kommentarer till läraren har studenterna dessutom lyft fram den stora valfriheten och möjligheten att arbeta självständigt som särskilt positivt med kursen, liksom den individuella lärarresponsen.

Based on the course evaluation result - which are the weaknesses of the course?

Kursvärderingen pekar inte på några svagheter eller utvecklingsområden i kursen, inte heller i fritextsvaren.

Comments about the collaboration with the course ambassadors

Inga kursambassadörer under denna kurs på grund av kursens speciella upplägg med individuella projektarbeten.

Conclusion and suggestions for course development or already made decisions

Slutsatsen är att kursen kan fortsätta på samma sätt nästa år.
