The results from the course evaluation show high satisfaction with the course.

Based on the course evaluation result - which are the weaknesses of the course?

Most standing out saturated comment from the answers and one that is actually fixable would be structure of, and the general quality of the information on Blackboard.

Comments about the collaboration with the course ambassadors

No ambassadors could be recruited, but there was ongoing dialogue with the students during the course.

Conclusion and suggestions for course development or already made decisions

No major changes are needed. Small adjustments are planned according to the remarks.

Other comments

We (all the course teachers) would like to thank all the students that filled in the evaluation for their useful feedback.
