Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

the theoretical part is comprehensive enough

Based on the course evaluation result - which are the weaknesses of the course?

the lab assignments should be reduced since having 5 credit points is not enough for this amount of work

Comments about the collaboration with the course ambassadors

-

Conclusion and suggestions for course development or already made decisions

we have to shorten the assignments and introduce an additional support for the practical session
