

IK8017 (Services in the Digital Society, HT 2022, Halmstad, H3700, X3700)

Number of possible respondents: 31

Answers: 18

Response rate: 58,06 %

Study pace: 100 %

Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course is appreciated for well introducing the themes and subjects for the DSI curricula. The team of teachers are experts within their respective topics. The new week on service design was appreciated.

Based on the course evaluation result - which are the weaknesses of the course?

Some students find the study culture to be very different. This is a general problem not only for this course. Some also find group assignments hard to coordinate.

Comments about the collaboration with the course ambassadors

In DSI we meet with the entire group to discuss the outcome of the evaluation.

Conclusion and suggestions for course development or already made decisions

We have changed things every year but now we think the course is now well set. We have no specific suggestions for changes for next year.

Other comments

The group of students are very engaged and there is a positive culture in the group. We teachers really appreciate working with these students.
