Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Many students were happy with the compendium and the laboratory sessions.

Based on the course evaluation result - which are the weaknesses of the course?

There were comments about having the lab sessions in smaller groups, but that is impossible given the time constraints. The laboratory work already took four full days of working hours from the teacher.

Comments about the collaboration with the course ambassadors

One ambassador was elected, and the cooperation worked well.

Conclusion and suggestions for course development or already made decisions

The course received a high satisfaction index of 90%.
