Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

En muntlig utvärdering hölls i slutet av kursen och vid denna föreföll kursen ha avlöp väl. Kursvärderingen med sina tre svar gör det svårt att dra några underbyggda slutsatser. Upplägget verkar överlag ha varit bra dock med förbättringspotential som anges nedan.

Based on the course evaluation result - which are the weaknesses of the course?

Synpunkter har kommit kring att det varit svårt att läsa vetenskapliga artiklar, men det behövs dock träning i detta för utbildningen. Vidare önskar studenterna en checklista till projektarbetet för att säkerställa vad kursen ska innehålla. Vad gäller gruppindelning är det enligt kursambassadörerna så att det var bra att man fick friheten att välja grupper själva. Detta underlättar arbete i en grupp då det ger bättre koll på varandras ambitionsnivå och möjligheter att ses vid olika tider etc.

Comments about the collaboration with the course ambassadors

Dialogen har fungerat väl och varit öppen. Inga särskilda behov har funnits rörande dialogen.

Conclusion and suggestions for course development or already made decisions

Checklista till projektarbetet är behövlig samt studiebesök och gästföreläsningar är behövliga i kursen (det hanns av olika skäl inte med detta år).
