### **Examiner's course analysis**

#### **Based on the course evaluation result - which are the strengths of the course?**

The final essay was appreciated

#### **Based on the course evaluation result - which are the weaknesses of the course?**

A quote from one of the students: "You could've not read a single page of the literature during the course or attended the seminars/lectures, and still pass be able to pass with ease. This makes the course as a whole feel unserious and pointless to some extent.". It seems as if some of the international students found it too simple.

#### **Comments about the collaboration with the course ambassadors**

none

#### **Conclusion and suggestions for course development or already made decisions**

Vi behöver diskutera vad som är en lagom nivå för kursens innehåll och krav för examinationer och deltagande. Det är oroväckande att läsa att enskilda studenter inte tycker att föreläsningarna innehållit någonting av substans...

#### **Other comments**

Kursen i sin nuvarande form kommer ej att ges mer utan delar av innehållet uppgår i en ny kurs som heter digital kultur och konsumtion där vi komemr att ha ett delvis annat upplägg.
