Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course has been around for many years and is a well-functioning course.

Based on the course evaluation result - which are the weaknesses of the course?

There are some adjustments that can be made. I will look into this and read through your comments.

Comments about the collaboration with the course ambassadors

I haven't had any course ambassadors but have received feedback during the course.

Conclusion and suggestions for course development or already made decisions

Some changes/adjustments may be made at the next opportunity.

Other comments

What makes the course a little worse and also creates problems for both teachers and students is that so few people participate in the teaching. Between 5-7 out of 17 students have attended all the lessons.
