Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The exercise sessions and materials on BB were beneficial for practicing skills learned in the lectures.

Based on the course evaluation result - which are the weaknesses of the course?

The delivery of the content in the lecture can be further optimized for students to understand, and learn. The lecture room condition is not ideal. More practical sessions.

Comments about the collaboration with the course ambassadors

There is no student ambassador enrolled in this course, but feedbacks from students were answered and the teaching activities were adapted accordingly.

Conclusion and suggestions for course development or already made decisions

More exercise sessions will be added in the future course, and course material will be further improved. A more suitable classroom will be selected for the lecture sessions.
