Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Studenterna är överlag mycket nöjda med kursens upplägg och att lärarnas olika sätt att undervisa kompletterar varandra. Lärarna upplevs som kompetenta och engagerade.

Based on the course evaluation result - which are the weaknesses of the course?

De svagheter som lyfts är nästan uteslutande sådant som inte går att påverka, till exempel att viss kurslitteratur var svår att få tag på och att det hade varit önskvärt om pjäserna hade varit tillgängliga på Blackboard, vilket inte är möjligt pga copyright.

Comments about the collaboration with the course ambassadors

Kursambassadörer användes inte på denna kurs.

Conclusion and suggestions for course development or already made decisions

Kursen kommer fortsättningsvis att ges i ungefär samma form men information om att i väldigt god tid beställa kurslitteraturen kommer att ges ännu tydligare än vad som var fallet under denna termin (även om det påpekades vid introduktionsmötet).

Other comments

En mycket trevlig studentgrupp att arbeta med!
