Based on the course evaluation result - which are the strengths of the course?

Design av kursen och examinationen.

Based on the course evaluation result - which are the weaknesses of the course?

Den studiesociala miljön. Vid examinationen framkom även, att det finns brister i studieteknik, akademiskt skrivande och referenshantering.

Comments about the collaboration with the course ambassadors

Arbetet behöver förbättras vad gäller uppföljning av kursambassadör från första till andra kursen (denna) i programmet.

Conclusion and suggestions for course development or already made decisions

På grund av en mycket heterogen sammansättning av studenter, finns det skäl att arbeta mer med den studiesociala miljön redan från första kursen, och följa upp i denna kurs. Det skulle kunna vara bra med kortare samtal med varje student gällande studiebakgrund. Mer arbete med att förklara akademiskt skrivande och referenshantering behövs.
