Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course offered the students the chance to learn basic design skills, and even practice advanced design research methods, such as research through design.

Based on the course evaluation result - which are the weaknesses of the course?

Some students wish for fewer on-campus activities. However, this is an on-campus education, so we work on finding a balance between on-campus and remote activities that boost the quality of education we offer.
