Response rate: 74,36 %

Study pace: 50 %

Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Till i år gjordes en omdesign av kursen som förefaller ha fallit väl ut och ha varit uppskattad av studenterna.

Based on the course evaluation result - which are the weaknesses of the course?

I fritextsvaren uttrycker några studenter att det har varit stressigt. Den stora utmaningen är att det är första kursen i marstersprogrammet med en heterogen studentgrupp. Det gör det svårt att hitta en rimlig nivå och tempo.

Comments about the collaboration with the course ambassadors

Vi har haft en god dialog med kursambassadörerna, som har samlat in och förmedlat kommentarer om hur olika kursmoment har upplevts av studentgruppen.

Conclusion and suggestions for course development or already made decisions

Vi kommer sannolikt inte att göra några större förändringar. Snarare hanldar det om smärre justeringar för att förbättra samordning och kommunikation
