Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Overall the students are pleased with the pedagogical structure of the course, the seminars and the recorded lectures, which appear to have made it easier to reach the learning outcomes.

Based on the course evaluation result - which are the weaknesses of the course?

Some students feel that it is hard to keep up with the pace and that there are too many novels to read in this course.

Too little activity in the non-mandatory discussion forum

Comments about the collaboration with the course ambassadors

No course ambassadors have been used in this course

Conclusion and suggestions for course development or already made decisions

One of the novels could perhaps be made non-mandatory reading to reduce the pressure.
Strategies for making more students participate actively in the discussion forum into a more lively.
