

EN4012 (District Heating Technology, VT 2024, Ortsoberoende, Halmstad, 20106, V0627)

Number of possible respondents: 18

Answers: 7

Response rate: 38,89 %

Study pace: 50 %

Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course appears to work well, which is good to know.

Based on the course evaluation result - which are the weaknesses of the course?

There is an opportunity to arrange with study visits and external guest lectures so that those activities do not occur too close to an exam period.

There is also an opportunity to invite some more internal guest lecturers.

Comments about the collaboration with the course ambassadors

The method with course ambassadors were not implemented.

Conclusion and suggestions for course development or already made decisions

No major revisions is planned.

Other comments

New for this time the course was given was supporting guidance documentation for exercises and a digital examination within the confinement of Blackboard. An important aspect of academia is aspect of writing technical reports, thus it is a good (necessary?) practice to use equation writers.
