Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

Vi har lyckats bygga upp en bra bas med beställare. Vi har också skapat ett tydligare fokus i studion kopplat till service design.

Based on the course evaluation result - which are the weaknesses of the course?

Möjligvis ett hot, att den är beroende på att få in bra beställarunderlag. ett annat hot är att kursen är något personberoende då det krävs minst en lärare som har arbetslivserfarenhet i området och eller stor praktisk kunskap i relevant område.
