Examiner's course analysis

Based on the course evaluation result - which are the strengths of the course?

The course meets the objectives according to the evaluation and the two oral evaluations conducted with the class council during the semester.

Based on the course evaluation result - which are the weaknesses of the course?

The administration and the course leader has to be more clear about the importance of the course evaluation as in previous years. The same is valid for the registration before examination.

Comments about the collaboration with the course ambassadors

Very good attendance all through the year and good cooperation within the groups.

Conclusion and suggestions for course development or already made decisions

It should be evaluated whether the cultural elements of the course should also be part of the examination in some way in the future, and if we should hold this course as a sole language course.

Other comments

The new room in the S-building is more suitable for language learning.
