Dear students,

Thank you for your feedback on DT8043 – Networks for Embedded Systems. The overall satisfaction index was 66%, which is a satisfactory result and provides valuable insights for improvement. It's great to see that many of you appreciated the interesting topics, engaged lecturers, and supportive environment.

We also take note of your suggestions for more practical elements and a clearer structure between lectures. I'm pleased to announce that a new course design will be introduced next year, featuring an additional instructor and incorporating more practical exercises to make the course more hands-on and relevant to real-world applications.

Thanks again for your thoughtful input and participation!

Best regards,
Mohamed
